

BROTHERS DEDICATED TO EXCELLENCE

Community Service — Services Overview

Service that strengthens the community — and the brothers who do it.

What BDE Offers

BDE coordinates four core community service experiences. Each one earns service hours, builds connection between men, and supports the wellness of both the volunteer and the community we serve.

REQUIRED ORIENTATION

Online Webinar

A required orientation covering BDE's mission, the standards we operate by, and how community service hours are tracked and verified. Complete this before participating in any in-person service.

IN-PERSON · SERVICE

Community Service Outreach

Hands-on outreach events — neighborhood cleanups, supply drives, youth mentorship pop-ups, and partnership events with community organizations.

OUTDOOR · WELLNESS

Mental Health Hike

A guided group hike built around the idea that movement and nature open men up. Brothers walk, talk, and process together in a low-pressure outdoor setting.

INDOOR · WELLNESS

Mental Health Group Session

A facilitated group conversation — the No Filter Zone format — focused on mental wellness, accountability, and peer support among men who agree to show up honestly.
